Hi Calder,

On 05/03/22, I contacted Executive Pastor Steve Lortz by phone whom advised the scheduled trip to Poland had been canceled. I inquired if he thought this trip would be rescheduled, he advised they have been in contact with their counterparts who are located in Poland and are discussing possible dates for later in the summer. I then contacted chambers, relayed this information and inquired if Mr. Yarbro would be required to submit another formal request shall another mission trip be arranged. The Judge advised he would need to submit another formal request.

Thank you,

Hi Rochelle,

Hope you are doing well. I know you had discussed Mr. Yarbro's request for temporary leave with the Judge previously and informed her that the trip had been canceled. Would you mind replying to this email with that information and how you learned that the trip was canceled? The Judge is going to deny the motion as moot and attach the email as an exhibit.

Thank you,
